

**SAVANNAH  
SERIES 20  
VINYL WINDOWS**

The Savannah Series is the signature vinyl window in the industry. With a thick frame, this window provides the highest levels of energy efficiency and maintenance-free reliability. Its brick mold look gives a traditional look to the home exterior. And as with every Croft window, the Savannah Series is built for life.

**STRENGTH**

- 3 1/8" frame depth
- Total welded frame and sash construction
- Continuous head and sill on twins and triples

**ENERGY SAVINGS**

- Energy efficient 5/8" Intercept glass
- Full range of glass packages that offer increased thermal performance
- Reinforced interlock system provides airtight fit
- Fully pocketed sill provides tight seal

**BEAUTY**

- Brick mold gives traditional look to home exterior
- Balance covers give finished look to the interior
- Available in a variety of grid patterns

**RELIABILITY, CONVENIENCE AND SAFETY**

- J-channel reduces trimming in many applications
- Lock and keeper provides added security
- Integral pre-punched nail fin for new construction
- Block and tackle balance system for easy operation and maintenance
- Optional wood jamb extension for 4-9/16" and 6-9/16" new construction; available primed or stainable

Available In Picture and Specialty Window, and Horizontal Slider

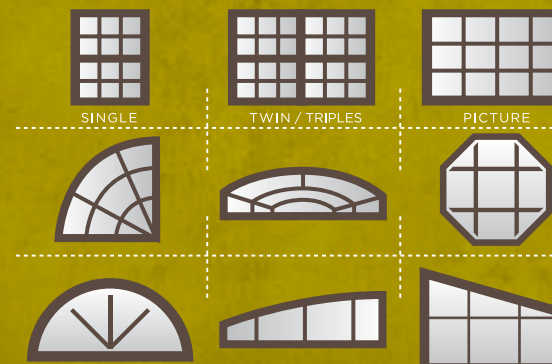

Optional Glass Packages Include: Low-E, Tinted, Obscure, Tempered and Argon Gas Filled
